++ Valid for broadcast between 1800 and 0600

Headline:
Widely frosty overnight with winds easing.

This Evening and Tonight:
Dry and largely clear through the evening and overnight, with winds continuing to ease, especially inland. A widespread and in places sharp frost will develop with the risk of icy stretches forming over high ground in the east. Feeling cold. Minimum temperature -6 deg C (21 deg F).

Sunday:
A frosty start but lots of sunshine through the morning. More cloud by the afternoon bringing outbreaks of rain, turning wintry for high ground. Much lighter winds than recently. Maximum temperature 6 deg C (43 deg F).

Outlook for Monday to Wednesday:
Cloudy but mostly dry on Monday. Windier again by Tuesday with outbreaks of rain, but also feeling a bit milder. Blustery and showery on Wednesday.
